OUR TOWN

Vol. 29—No. 4 NARBERTH, PA., THURSDAY, APRIL 20, 1944 PRICE FIVE CENTS

HERE AND THERE

by BETSY-ANN

At St. Stephens Church, Washington, D. C., on Saturday, April 15, Wave 2/C Judy Hess, Storekeeper in Navy, became the bride of Richard Edward Geschke, Yoeman, 1st class in the Navy. Judy wore a lovely white lace bridal gown and carried a white prayer book with streamers of orchids and lilies of the valley. The ceremony was followed by a reception for 50 guests at the Roger-Smith Hotel in Washington, D. C. The happy couple are on a seven day furlough honeymooning in New York. Judy is the daughter of Mr. and Mrs. D. J. Hess of 419 Anthwyn Road, Merion.

• • •

Miss Lois Mary Heald and Mr. Daniel J. Boyle were married at St. Margaret's Church at 10 o'clock last Wednesday morning. The bride wore a gown of white net, designed on old fashioned lines, and carried a white prayer book and a white orchid. She had two attendants, her cousin, Kathleen O'Connor of Baltimore, who wore a gown of pale green net, and carried an old fashioned bouquet of flowers, and Miss Boyle, sister of the groom, who wore a gown of yellow net and carried an old fashioned bouquet. Mr. Daniel J. Boyle had as best man his brother Lawrence—his other attendant was G. Benton Heald of Denton, Maryland, brother of the bride.

From V. L. Magarity,
CIC Air Forces
APO 782 P. M. N. Y. C.
3 April 1944.

Mr. Joseph Kelly, Postmaster
Narberth, Penna. U. S. A.

Dear Mr. Kelley:

Just wanted to drop you a short note in expression of appreciation for what you are doing in the way of notifying the folks at home of the arrival of my mail.

I think today that you people in the Postal Service are performing one of the most important tansks of all, that is, by the regular despatch of mail, you are performing a function that above everything else, fosters morale. One can't appreciate how much this means until he has actually seen the effect of "Mail Call" upon the fellows at the various fronts.

I would give anything to be back in that little peaceful town of Narberth at the moment, but of course that will have to wait. Please extend my good wishes to Mrs. Kelley. I hope that you and your family are well.

Again may I say thank you very much indeed for what you are doing for me and the folks.

Sincerely,
LEE MAGARITY.

Lee Mavarity is a son of Mr. and Mrs. Joseph T. Mavarity of 226 Forrest Ave.

The Narberth Post Office will be open Sunday, between 12 and 1 o'clock. This is to enable families of our boys in service to pick up mail received after 12 noon Saturday.

• • •

Attention! The Red Cross needs more workers to make surgical dressings They work on Surgical dressings Monday, Tuesday and Wednesday—also Tuesday evenings. Come out and do your bit!

• • •

Pvt. William C. Gutherie, in the Infantry, is now able to spend weekends with his wife, Ruth Egmore Guthrie and his small daughter Diana of 106 Essex Avenue. He was wounded in Italy. One leg was fractured, the other has a flesh wound. He was returned from a hospital in North Africa to Valley Forge Hospital.

• • •

Serg. William Muntz, of the Rangers, who was reported missing at Anzio Beach Head, has been taken prisoner by the Germans.

• • •

Pfc. N. Bruce Gill, Com. E. 101 Infantry, A. P. O. 26 home on 13 day furlough from Fort Jackson, S. C.

• • •

Samuel W. Irvine, A. O. M. 2/C of 30 McClenaghan Mill Road, is home on 14 day furlough from Jacksonville, Florida.

• • •

Officers Elected By Women's Club

Two Delegates Named For Convention

At the meeting of the Narberth Women's Club, held Tuesday, April 18, new officers were elected. They are: Second Vice President, Mrs. Joseph H. Miller; Recording Secretary, Mrs. Lewis V. Homsher; Treasurer, Mrs. C. J. Goodyear, who was re-elected; Corresponding Secretary, Mrs. John Albrect, Jr.; Directors, Mrs. Joseph A. Hongler, Mrs. A. W. Ayars, and Mrs. Samuel H. P. Reed.

Hostesses for the meeting were Mrs. Edgar Cockrill and Mrs. Ledger Ford. Mrs. C. D. Davis and Mrs. T. S. Marrow presided at the tea table. The music for the meeting was provided by Mrs. George Alan Walker. She sang several songs, accompanied by Mrs. A. B. Wheeler at the piano.

Mrs. Samuel J. McCartney and Mrs. Ellsworth Clark were named as delegates for the Pennsylvania Federation of Women's Clubs convention to be held May 15 and 16 at the Penn-Harris Hotel, Harrisburg.

Navy Chaplain to Speak at Narberth

Legion Sponsors Public Meeting On April 27

What the service man looks forward to upon his return to civilian life, will be discussed by Chaplain Raymond C. Shindler, Naval Hospital, Philadelphia, at a joint meeting of the American Legion and Auxiliary to be held in Narberth Thursday evening, April 27, under the auspices of the Harold D. Speakman Post. The meeting date has been changed from Tuesday because of primary elections held in Legion rooms April 25.

Chaplain Shindler, formerly a Lutheran pastor, is from Altoona, and has had a broad background of experience with young men, dating back to the first World War in which he was enlisted.

Two years ago he decided to reenter the service, believing that the men in the armed forces would welcome the counsel and advise of older men who had been through it before. He has served for some time at an air base outside this country, and was returned last December for treatment at the Naval Hospital here, where he now serves as Chaplain until physically able to return to active duty.

At the meeting, which will be held in the American Legion Rooms, Community Building, the Post will entertain members of the Narberth Auxiliary, wives of members and friends. An invitation is issued to parents of young men now in the armed services to attend and hear the Navy Chaplain's remarks.

A second feature of this meeting will be the showing of Kodachrome motion pictures of Mexico, including the recent volcanic eruptions taken and presented by R. W. Baily, of Ardmore.

Servimos Club Plans Benefit Card Party

A benefit card party will be held this Saturday night by the "Servimos" club of girls who met Monday evening to make final plans for the party. It will be held at the Woman's Club rooms of the Community Building at 8.30 P. M. and various games will be played. Tickets may be obtained from Mrs. Harry Watts or members of the club.

A committee of four girls from the younger girls club met with the Servimos club Monday. The committee comprised Nancy Markle, Estelle Ridge, James Evans and William Creamer. They will elect officers at a meeting this Friday night and will appoint committees to run their regular Saturday night parties. The next party will be held at the American Legion room of the Community Building on May 6.

Advertising Head

H. LESSERAUX

Our Town of Narberth and its three affiliated newspaper, announce this week the appointment of H. Lesseraux, Penfield Downs resident, as advertising manager for the group of newspapers it publishes.

H. Lesseraux, who until recently was advertising and sales promotion manager of the United Petroleum Corporation of Philadelphia, has had a wide and active career in advertising, sales promotion and publishing. Born at Lyons, France, educated at Johns Hopkins University, he was at one time associated with The Baltimore Sun in an advertising capacity, and the Baltimore American as reporter. He later served as copy chief of Switt & Holden, well known New York Advertising Agency, and as advertising manager for a Swift & Co., subsidiary. He was also at one time president of The Bakery Advertising Council, a national organization operating as sales promotion counsellors in the bakery field.

Support Asked For Robt. M. Cameron

Sticker Will Be Used To Fill Committee Vacancy

The following letter was sent this week to Republican voters of Narberth's 3rd District by supporters of Robert M. Cameron for the county committeeman's post made vacant by the death recently of William D. R. Evans. Cameron will be a candidate on a sticker campaing at the Primary on April 25:

"To the Republican Voters of Narberth's Third District:

"The ballots for our District for the Primary Election on Tuesday, April 25, have been printed with Mr. William D. R. Evans' name on them as the candidate for county committeeman. Due to his death since the printing of the ballots, we must elect another man by the 'sticker" or write-in method.

"Our candidate for Committeeman is Robert M. Cameron, of 105 S. Narberth Avenue, who has been an active worker for the Party for several yeas. A graduate of Yale, he has lived in Narberth for many years and is employed by Montgomery County. Last Fall he was elected to the Borough Council without opposition.

"We ask your support and vote for Mr. Cameron because we feel he is qualified for the post and would work actively as Committeeman.

"The enclosed slip gives simple directions on how to vote for him.

"Sincerely yours, Margaret U. Griswold, Committeewoman; Katharine R. Trotter, Elizabeth L. Williams, William S. Howard, C. Alfred Peeney, Vincent Colelli, Louis A. Young."

Legions to Have Joint Meetings

Judge William F. Dannehower will be the principal speaker at a special and elaborate joint program of William Boulton Dixon Post, No. 10, American Legion, of Fort Washington, and Voiture No. 927 of Montgomery County 40 and 8, an honor society of the Legion, to be presented at 8.30 Monday evening, April 24, in the Fort Washington post home.

R feature will be the conferring of the American Legion initiation on new members of World War II.

A special program has been outlined by the Montgomery County 40 and 8 and past and present members have been urged to participate in the festivities of the fun and honorary organization of the Legion.

On College Committee

Betty Anne Reisener, daughter of Mr. and Mrs. W. C. Reisener, Barrie Rd., Narberth, a freshman in the Conservatory of Music at Oberlin College, Ohio, was elected representative of the conservatory freshmen to the Shansi Committee last week. The aims of this committee are to keep the campus acquainted with Oberlin's school in China.

Norway Invasion To Be Club Topic

Neighborhood Group To Hold Meeting In Woman's Club

Startling information about the Norway underground will be revealed by the Norwegian consul, Mathias J. Moe, at next Tuesday night's meeting of the Bala-Cynwyd Neighborhood Club.

The meeting will be held in the Woman's Club of Bala-Cynwyd and will be open to women as well as men.

Henry J. Kite, president of the Club, will preside. A business meeting will precede the talk.

The Norwegian Consul, who represents his country for Pennsylvania and the Philadelphia Port district, will speak on "Norway—the Fighting Ally."

The speaker will tell how the Germans started after the First World War to infiltrate Norway with spies and fifth column agents. Since the invasion of Norway Moe will tell what steps have been taken through the Norwegian underground to check the Nazi. He will tell how Nazi government decrees have been nullified and how their war aims in conquering the country have been defeated.

A report of the nominating committee of the Neighborhood Club will be made at the meeting.

L. M. Concert Band At Naval Hospital

Program Presented to Patients On April 10

Monday, April 10, a varied and interesting program by the Lower Merion High School Concert Band was presented in the auditorium of the U. S. Naval Hospital in Philadelphia. The musicians were accorded an enthusiastic reception by a large audience of service patients and staff.

Among the items on the program were the Overture "Morning, Noon and Night" by Suppe; a selection of Victor Herbert Favorites; "Midnight in Paris", by Bennett; "Eleanor", by Deppen; "Anchors Aweigh"; "The Stars and Stripes Forever"; "First Norwegian Rhapsody", by Christiansen; and other well-known selections. Dr. Bruce C. Beach conducted.

The principal soloists were Georgianna Veit, popular soprano, assisted by Maxine Lipman; also Dick Bostwick, who gave a splendid rendition of two piano "Preludes" by George Gershwin. A Brass Quartet, consisting of Bernard Hergadon and Ike Kershaw, trumpets, and Robert Barnes and David Hufnal, trombones, played "Jeanie, With the Light Brown Hair" and "Drink To Me Only With Thine Eyes."

Arrangements for the concert and trip were managed by the Entertainment Committee, American Red Cross, Main Line Branch No. 1, Miss Anne Townsend, chairman. The Motor Corps furnished transportation for the 65 musicians.

Social Students Visit Court House

Approximately 125 Lower Merion High School seniors visited the Montgomery County Court House at Norristown Wednesday to supplement their work in social problems classes.

Arrangements for the visit were made by County Commissioner Fred C. Peters, Ardmore, Attorney Charles H. Brunner, Jr., a member of the Legislature from the County, explained functions of the various County offices.

The students spent considerable time in the Court Room of President Judge Harold G. Knight, who explained various aspects of legal procedure and the workings of the courts for their benefit.

At noon time, the group visited the County jail. Miss Marion Ball, social problems teacher at Lower Merion, was in charge of the group.

Member Of D. A. R. Chapter Dies at Home

Mrs. Addie K. Hewitt, 116 Essex Ave., who passed away April 10, was a charter member of the Dr. Benjamin Rush Chapter of the D. A. R.

She was a devoted and loyal member for more than 22 years, serving as treasurer and always interested in the work of the organization.

Although approaching her 80 birthday, her willingness to answer the call for service was an inspiration and an example for all.

She was the oldest member of the chapter, and her gracious personality endeared her to all who knew her. In her passing the Dr. Benjamin Rush Chapter has suffered a great loss.

Officers Elected Wednesday By Woman's Club of Bala-Cynwyd

Members of the Woman's Club of Bala-Cynwyd elected officers on Wednesday afternoon. Ballots were cast between 12 and 1.30 P. M. and returns showed the following officers elected:

Mrs. Frank B. Allen, president; Mrs. Harold Backus, first vice-president; Mrs. George H. Gilbert, second vice-president; Mrs. William Hanson, recording secretary; Mrs. Arthur Gable, corresponding secretary; Mrs. Albert Freihofer, reelected treasurer; Mrs. Arthur C. Hawkins, assistant treasurer.

The three directors are Mrs. William T. Roache, Mrs. George Selby, Mrs. Howard Simpson.

Dr. Stonier To Speak To County Bankers

Dr. Harold Stonier, executive manager of the American Bankers Association, will be the speaker before the Montgomery County Bankers Association's annual meeting to be held on Thursday, April 27, in the Bungalow Inn at Jeffersonville. Dr. Stonier will speak on "Banking Faces the Future."

Many high honors have come to Dr. Stonier during his career. In 1929 he was chosen by the Secretary of the Interior to be a member of the Advisory Committee on Education by Radio. In 1932, President Hoover appointed him one of the twelve delegates to represent the United States Government at the International Congress.

Tentative Budget Of $1,507,578.93 Passed For Schools

Defense Training Classes Are Being Dropped

A tentative budget for the 1944-45 school year amounting to a million and a half dollars was approved by Lower Merion school directors Monday night.

The budget calls for expenditures of $1.507,578.93.

Tax rate to meet the budget will remain at 13 mills, the same as last year. Receipts from this tax rate from an assessed valuation in the township of $94,100,000 will amount to $1,180,484.50. Other receipts arise from miscellaneous sources, the largest will be an anticipated State appropriation of $114.181.50.

In the budget the largest expenditure item is $888,210 for instructional services.

Other expenditure items are listed as follows:

General control, $49,257.50; auxiliary agencies and coordinate activities, $69.265; operation of plant, $145.270.40; maintenance of plant, $39.404; fixed charges, $37.-478.27; debt service, $260.169; capital outlay, $18.524.76.

Superintendent of Schools F. A. Dubois announced at the meeting that on account of the decrease in the demand for defense training in welding that the night welding classes were discontinued last Friday.

The superintendent stated that the only defense training class now in operation was a class, running three nights a week for instruction in machine tool operation. It was his opinion that this class would be closed by early Summer.

Members of the Board authorized the purchase of a driveway at the rear of the Senior High School.

War Fund Drive Is Still Far Short

Main Line Branch Is $200,000 Short

The Main Line Branch of the Red Cross announced this week that its 1944 War Fund drive, still far short of its stiff quota, had been continued beyond the "Victory Week" extension, which ended last Thursday.

By Monday night the total amount collected during the campaign was $300,700.99. This left the branch nearly $200,000 behind the $510,000 goal established when the drive started early in March.

Officials expressed no opinion regarding the possibility of reaching the quota, merely stating that solicitations would continue until the National quota of $200,000,000 had been reached.

A branch spokesman emphasized that any local residents who are not solicited or re-solicited during the present extension can still make direct contributions and pledges through workers, or at the Red Cross Center, Suburban Square, Ardmore.

"No more timely expression of the range of Red Cross service could be possible than the agency's presence and its prodigious work during the recent floods in the West and the Southern tornado disaster," said the spokesman.

"Even while the vast weight of its work is concentrated on the fighting fronts, it was still able to meet the challenge that arose so unexpectedly in this country.

"But these most recent home front exigencies," continued the spokesman, "also underline the fact that even in the midst of its vast war work, the Red Cross must still answer the calls for mercy at home. To do both jobs fully and effectively, your help—the very most you can give — is still needed, and needed urgently."

County Clubwomen Complete Plans for Federation Session

Many Main Line clubwomen are preparing to take their non-club friends and attend the annual spring meeting of the Montgomery County Federation of Women's Clusb from 10.15 A. M. to 3.30 P. M. this Friday in the auditorium of Gimbel Brothers Store, Philadelphia.

Diplomas will be presented to 40 clubwomen graduates of the Community Workshop, held for the last two years by Penn State College, the sponsorship of the County Federation. Rose Cologne, the instructor, will award the diplomas.

One of the important features of the meeting will be the awarding of a Series E $25 War Bond to the club judged to have completed the project which has most helped its community. Leaders of most of the projects, in which 20 clubs are entered, have been the women who were trained in community leadership in the Workshop. Miss Cologne will make the award and the name of the winning club will not be divulged until that time.

Mrs. Bonaro Overstreet, psychologist, poet and author, will speak in the afternoon on "How to Stay Alive as Long as You Live."

Mrs. G. Ira Stott, chairman of conservation and gardens of the Pennsylvania State Federation, will speak in the morning on Conservation for Victory and Peace." A dramatization, Montgomery County on the Home Front, will be given at the morning session by department chairmen, and election of officers will be held.

Mrs. Edward W. Heymann, past president of the Women's Community Club of Narberth, is unopposd for presidet of the County Federation. An experienced club leader, she is president of the Past Presidents' Club and War Service chairman of the County Federation and has been County Program chairman. A Vermonter, Mrs. Heymann combines New England ability with a friendly and attractive personality. Her hobbies are antiques, knitting, reading and her tiny granddaugh-

Advises Against Using Boys as Firemen Unless Certain Legal Conditions Are Met

How far fire companies can go in using minors as volunteer firemen and under what conditions they can work is legally analized in an opinion given the Haverford Township Commissioners last week by the Township's solicitor, William H. Toal, Llanerch.

Because of the increasing manpower shortage in this field of public service the Commissioners asked Solicitor Toal for an opinion. It has been drawn to the Commissioners' attention that several of the local fire companies already were using minors. They foresaw that the practice was likely to grow and wanted to know how they stood under the present State laws.

In his premise Toal, who is first assistant district attorney of Delaware County, explains that minors between the ages og 16 and 18 years, must be considered as paid employes because they receive certain benefits from their connection with volunteer fire companies such as coverage by Workmen's Compensation, accident and liability insurance coverage and the furnishing of personal equipment This classification would hold, he points out, despite the fact the volunteer fireman receives no pay for his services.

Considered under the status of a so-called paid employe the solicitor says their employment is affected by three laws whose requirements must be met if the municipality is to keep itself clear of legal entanglements.

First, as Attorney Toal says, the Motor Vehicle Code of Pennsylvania prevents the use of minors to operate fire trucks.

He quotes from the Code:

"It shall be unlawful for any person, under the age of 18 years to operate a motor vehicle upon any highway as a paid employe or for any person to cause or permit such operation."

Second, the solicitor, says that a legislative act of 1915 prevents the employment of a minor between 16 and 18 years in a hazardous position.

The law reads:

"It shall be unlawful for any minor under 18 years of age to be employed or permitted to work in any occupation dangerous to the life or limb or injurious to the health or morals of the said minor as such occupations shall from time to time, after public hearings thereon, be determined and declared by the Industrial Board of the Department of Labor and Industry."

Attorney Toal says that "the fighting of fires is, undoubtedly, a dangerous occupation, although, as far as he knows, the State Department of Labor and Industry has made no specific ruling that fire fighting is a hazardous occupation. Providing, it is found, they have made such a ruling or, in the near future, would make such a ruling then the employment of minors would constitute a violation of the law, he warned.

He pointed out that under the provisions of the Workmen's Compensation Law of 1915 that any injuries sustained when a minor is being employed in violation of any of the provisions of law that the compensation payments or death benefits are doubled. Also, that if this should occur the employer is liable for the additional compensation.

As a third point, the solicitor advises that no minor should be employed as a volunteer fireman unless he obtains working papers a required by the Child Labor Law. Also, he says that fallure to obtain certificate for employ-

THREE COMMITTEE FIGHTS ENLIVEN PRIMARY; NO PARTY CONTESTS FOR COUNTY OFFICES

Observes 35th Year With Penn Mutual

Hayes C. Mendenhall, 608 Hazelwood Rd., Ardmore, celebrated his 35th anniversary this week as a representative of the Penn Mutual Life Insurance Company. A graduate of Girard College, Mendenhall started his insurance career April 22, 1909, in the acturial department. Later he transferred to the law department. He was honor guest during the last week at a special luncheon given by John A. Stevenson, president of the company.

Long active in civic affairs and athletics, Mendenhall served in the Navy during World War I and spent some time overseas. He has been prominent in baseball circles, playing catcher on several service teams during the last war, and as backstop and catcher on the Penn Mutual baseball team. He also bowled in the Inter-Department League.

Tax Collectors to Get New Increase

Higher Commissions Will Compensate for Tax Rate Cut

Increases of one-half to three percent in the commissions to be paid tax collectors of Montgomery County for collecting County, Institution District and County Personal Property taxes have been authorized by County Commissioners Foster C. Hillegass, Fred C. Peters and Raymond K. Mensch, it was announced Friday at a meeting of the Montgomery County Tax Collectors Association. The meeting was held at Tyson's Hotel, Harleysville.

W. Veryl Walton, President of the association, stated that letters from the County Commissioners to all tax collectors of the county were in the mail and would be delivered in the morning.

The unanimous action of the County Commissioners followed a conference with Walton at which he pointed out that the compensation of tax collectors had decreased substantially during the past several years due to the 50 per cent reduction which has been made in County taxes since 1939 by the County Commissioners.

A graduated scale has been established under the new plan whereby the commission percentage allowed varies according to the total amount of the valuation on real estate and personal property in the tax duplicate for County, Institution District and County Personal Property taxes. This graduated scale applies to commissions on taxes paid before the expiration of the five percent abatement (discount) period. After the close of this abatement period, a flat five percent commission will be paid, as in the past, to all collectors, regardless of the amount of the duplicate.

Previously, the compensation for all tax collectors for collection of County, Institution District and County Personal Property taxes was two percent commission for the abatement period.

The increased pay scale for tax collectors, it was pointed out, will not be instituted at the expense of the taxpayers of the County by any increase in taxes, but will represent a budgetary transfer of general county funds.

The County Commissioners' action, it was stated, in no way affects the compensation paid tax collectors by boroughs, townships and school districts which is governed by local authorities.

Narberth Students On Honor Roll

Receive Four E Grades, Three in Major Subjects

The following students of the Narberth Public School made the first and second honor rolls for the third quarter of the school year:

FIRST HONORS

8th Grade:
Alan Kirk
Bill Lillis
Booth Mattson
Carol Clark
Marion Jones
Margaret Robb
Louise Purring
Jean Ridge

7th Grade:
Rosemary Gorman
Nancy Hunsicker
Ann O'Brien
Dorothy Senft
Virginia Basler
Janice Jacobson

6th Grade:
Jane Drennen
Katherine Blum
Diane Klingman
Diedre Patten
Evelyn Cain

SECOND HONORS

8th Grade:
John Dabback
Libby Ridenour
Louise Watts
Marye Allison Merkel
Paddy Stephens
George Mehl

7th Grade:
Hugh Annett

Patsy Rainey

Where To Vote In Narberth Tuesday

Narberth, No. 1, Narberth Fire Company, Elm Hall, Forrest Ave.

No. 2 Community Bldg., Windsor and Conway Aves.

No. 3, Headquarters Boy Scouts, N. W. Corner of Essex and Elmwood Aves.

Advocates Federal Units for Peace

Dr. Stinnes Spoke On Postwar Economics At Narberth Meeting

The organization of federal or regional units throughout the world is the first step toward an enduring peace, declared Dr. Edmund H. Stinnes, second speaker in the Narberth Post-War Planning Forum sponsored by the churches of the community.

Dr. Stinnes, who spoke at the Narberth Public School, was introduced by the Rev. Gibson Bell, rector of All Saints Episcopal Church.

Dr. Stinnes, a member of the department of government of Haverford College, dealt chiefly with the economic aspects of the postwar situation. A world government complete with police forces lies in the distant future, he declared, but the immediate goal is a functional collaboration in the form of regional units, which the United States can help to organize without giving up her special rights. These regional units he defined as Latin-American, English-speaking, Chinese-speaking and Indian, Russian, and Continental European.

In discussing the problems peculiar to each region, Dr. Stinnes quoted Lord Lothian as saying that the center of the English-speaking region had now become Washington instead of England. This creates a challenge for Americans, to show an understanding for the living standards of the common people of England, The Chinese-speaking region and India can best be helped by economic collaboration which will help them to industrialize.

This would work to our advantage, Dr. Stinnes declared, since a highly industrialized country is a better consumer than a primitive one. Concerning the Soviet, he emphasized that the order there is fast changing, and that criticisms of the past will probably not hold for the future.

Dr. Stinnes' chief concern is with the European region.

"In the continent of Europe," he said, lie the roots of American civilization, and a tree cut from its roots is always endangered. There is one reason, and only one, which will justify the sacrifice of our men in this war: If Europe can be neutralized and consolidated so that these boys of ours do not have to do it again."

Europe at the end of this war will be run down and ripe for chaos, he stated. With the help of the United States, the roots of American civilization can be reconsolidated by a European economic confederation.

Two lectures remain in the series, scheduled for successive Tuesday evenings at 8 P. M. at the Narberth Public School. They will be given by Dr. Poeliu Dai, Chinese diplomat and educator of wide experience, who speaks April 25 on the Far Eastern Situation; and Robert Heckert, radio news commentator, who will discuss the political background for peace.

Lower Merion's Health

The Lower Merion Board of Health reports 12 new cases of chicken pox, 2 new cases of German Measles, 2 new cases of Measles, 22 new cases of Mumps, 4 new cases of Pneumonia, 10 new cases of Scarlet Fever, and 2 new cases of Tuberculosis for the week ending April 14.

A Soldier Writes: Lets Have Suffrage For 18-Year-Olds

United States Army
Camp McCain, Mississippi

To the Editor:

"A year has passed since the State of Georgia lowered her voting age to 18. However, Pennsylvania has yet to take this step. Suppose we Delaware Countians analyse the facts of the case.

"First, aren't the majority of young adults 18 to 21 high school graduates? For that matter, many have completed two or more years of college and some already have degrees. Actually, this age group has a much higher educational, cultural, and literate standard than our own (over 21) group.

"Second, are not most of these young people economically self-sufficient? To be sure, many are married or in business for themselves. Most pay taxes, which raises another issue, 'no taxation without representation.' Yes, our young people are as much an integral part of society as we ourselves—yet, they cannot cast ballots? Is this fair?

"Furthermore, one of the principles of American democracy is the so-called 'right of all adult citizens to vote.' If that be the case, how about the six million adult citizens who have less right to vote than a subject of Nazi Germany?

"Don't forget, many of our sons, nephews, and younger brothers are fighting for the very right denied them. Surely, if a man is old enough to shoulder a gun, he's old enough to vote.

"Whatever these young people lack in experience and maturity, they make up in enthusiasm and progressivism. By all means, let's have suffrage —rights for 18-year-olds."

HARRY HYDE, JR., Pvt., C. E.

Sluss Appointment Provokes Ardmore Battle; Leaders Predict a Light Vote

Three committee fights, both in Ardmore, will enliven the Republican primary in the Lower Merion Township and Narberth Borough sections of Montgomery County on next Tuesday.

Otherwise, there are no contests over state or county offices in either the Republican or Democratic parties. With the Nation poised for its greatest war effort and with little election interest, political leaders are predicting one of the lightest primary votes.

Candidates will be chosen at the Primary Election Tuesday, April 25, by voters of Montgomery County for important national, state and county offices in addition to delegates to the National Convention, where the party's choice for president will be selected.

The Primary campaign, conducted by the Montgomery County Republican Organization, has included a series of enthusiastic meetings about the County at which various candidates and officials addressed large gatherings.

Highlighting the campaign was a huge county-wide meeting at City Hall, Norristown, Thursday night at which Judge Howard W. Hughes, candidate for the State Supreme Court, was scheduled to speak. The meeting was preceded by a buffet supper for the County Committee.

Party leaders view the Primary as a preliminary dress rehearsal to next November's presidential election, when they hope that the Republican majority for the County will set an all-time high. By turning out a big Republican vote for the Organization-endorsed candidates at the Primary, leaders hope to pave the way for a smashing Republican victory in November.

Polls in the 191 election districts of the County will be open from 7 A. M. to 8 P. M. at the Primary.

The committee fights are in South Aramore No. 2 and in South Ardmore No. 3 precincts.

In South Ardmore No. 2 the incumbent Republican committeeman, George B. Matthews, 209 Cricket Ave., is being opposed by James W. Mullin, 116 Elm Ave.

Matthews is a director of the Merion Fire Company of Ardmore and has been active in American Legion affairs as a member of Bullock-Sanderson Post, Ardmore. He is an electrician.

Mullin has been chief of the Merion Fire Company for 14 years. He is the son of the late Frank Mullin and a life-long resident of Lower Merion. He is a graduate of St. Colman's Parochial School and Lower Merion High School. Mullin is employed at the Autocar Company.

The South Ardmore No. 3 committee contest is an outgrowth of the appointment of James N. Sluss, resident of South Ardmore No. 3 and Pennsylvania Railroad employe to fill a vacancy on the Lower Merion Board of Commissioners.

Contending the appointment was political and engineered by the present committeewoman a group of independent citizens headed by Edwin W. Semans, Wynnewood, launched a sticker campaign. They placed John V. Calhoun, 1308 Hillside Rd., Wynnewood, and Mrs. John G. (Leah) Vogt, 320 Spring Ave., Ardmore, up against the Organization's committee candidates. Organization candidates are Mrs. Elizabeth E. Wilkinson, 147 Grandview Rd., Ardmore, and James Stewart, Jr., 1318 Sussex Rd., Wynnewood.

Ask Residents To Help Prevent Fires

Fire Marshal Suggests Spring Cleaning To Remove Hazards

Spring cleaning to remove rubbish and eliminate fire hazards was asked of Lower Merion residents this week by Fire Marshal Harvey W. Benson.

The fire marshal said one out of every 75 homes were being damaged by fires annually.

"This is not a question to be taken lightly," Fire Marshal Benson said today. "Statistics recently released by the National Fire Protection Association show that every year in this country one out of 75 homes is burned to the ground or is seriously damaged by fire. The causes of most of these fires are not hard to find. High on the list, I am sorry to say, is bad housekeeping.

"By bad housekeeping, I don't necessarily mean a dirty house, but the storage of large amounts of papers, magazines, rags, old mattresses and furniture in closets, attics and basements where **they** will provide tinder for any spark which may fall on them, or **which** may be the source of spontaneous combustion.

"There's double reason for getting these things out of the house as the housewife makes Spring cleaning plans this year. First, there is a selfish reason—to protect the home and family from the ravages of fire. Second, there is a patriotic reason—it's just as important to get papers and rags cut of your house and into the hands of your local salvage committe as it is to buy War Bonds or to support the USO, the Fire Marshal says.

"Serious at any time, fires today are doubly so as they burn hard-to-replace, if not impossible-to-replace, materials. Keep the home front fit and fighting by making Spring clean up time a time to get rid of any fire hazards which may have crept into your home during the Winter," is the Marshals advice."

HARVEY W. BENSON.

Relief Payments

State Treasurer G. Harold Wagner reported that direct relief payments made to needy residents of Montgomery County during the week ending April 14 show a decrease of $22.50 under those of the previous week.

Payments for the week totalled $672.00 which was $146.80 less than those of the comparable week of last year.

ter, Judy. Her only child, Lieutenant John Chesley Heymann, USAAF, is stationed at Wright Field, Dayton, Ohio.

Mrs. F. W. Zacher, past president of the Women's Club of Ardmore is slated for corresponding secretary of the County Federation.

The Woman's Club of Ardmore will be on of two hostess clubs in charge of the meeting. Some of the members who will assist Mrs. William F. Leisman, president, will be Mrs. Zacher, first vice president; Mrs. Walter Dunkle, second vice president; Mrs. Arthur P. Wood, treasurer; Mrs. S. E. Slocum, Ardmore club member and out-going first vice president of the Federation, and Mrs. Fred C. Peters.

At the afternoon session greetings will be brought by Congressman Samuel K. McConnell, and State Representative Harold C. Pike.

Dorothy Hess and Kathryn Abel Roach, duo-pianists of Philadelphia, who will furnish the music, will be introduced by Mrs. Wesley P. Dunnington of Narberth, music chairman.

Press books submitted by publicity chairmen of the 41 clubs in the Federation will be judged by Mary Padgett of the Philadelphia Inquirer; Mary West, editor of the Pennsylvania Clubwoman; Katherine Jordan, woman's editor of the Main Line Times, and Nancy Seely, of Lower Merion newspapers.

Mary Ann Oeschger Wins Piano Audition

Winners of auditions for the Second Annual Youth Music Festival to be held in Wayne, May 12, under the auspices of the Tri-County Concerts Association, include Mary Ann Oeschger, 15, of Westgate Hills, a student at Haverford Senior High School and a piano pupil of Dr. Olga Samaroff Stokowski.

Fuel Oil—Periods 4 and 5 coupons, good through August 31.

Shoes—Stamp 18 in Book One, good through April 30. Airplane stamp 1 in Book Three good indefinitely. Airplane stamp 2 becomes good May 1 and remains good indefinitely.

VETERANS FIND JOBS

Of the 11,516 veterans who applied for jobs, 6,361 found work immediately during a demonstration program opened in January by the U. S. Employment Service, the War Manpower Commission announced. This service for veterans will be continued and expanded to USES local offices throughout the country, where veterans will be permitted to "shop around" before deciding on a job. Job opportunities for physically handicapped veterans from this war will be better than they were for the handicapped veterans of the last war, in the opinion of WMC, based on recent studies. Placements of handicapped workers in 1943 were approximately seven times the number placed in 1940. A large proportion of the physically handicapped require only careful job placement. Veterans will be hired in OPA offices and boards throughout the country as rapidly as vacancies occur. About 2,500 vacancies occur each month.

NEW SHOE STAMP

Beginning May 1, Airplane Stamp 2 in War Ration Book Three may be used for buying one pair of rationed shoes, OPA announced. The new stamp and Airplane Stamp 1 will be good indefinitely. Stamp 18 in Book One will expire April 30. From May 1 through May 20, children's low-priced shoes (maximum $1.60 per pair) in sizes 8½ through 12, and misses' and little boys' shoes in sizes 12½ through 3 will be ration-free. In 1943 sales of civilian rationed shoes exceeded production by more than 53 million pairs, which made it necessary late last year to decrease the number of shoes available to civilians.

TAKE YOUR SHOPPING BAG

American housewives may help avert the critical shortage of store bags and wrapping paper expected during the next few months by carrying shopping bags or baskets when marketing and by reusing paper bags whenever possible, WPB says. Small and boxed articles should be accepted unwrapped and several purchases from the same store should be put all in one bag. The current allocation of bags and wrapping paper is less than one-third of prewar supplies.

PRICE CHANGES

Prices, which remained relatively stable during the past two years on coal, lumber, newsprint, and other basic industrial products, showed a gradual increase in recent months, the Secretary of Labor reports. Food prices, which previously had advanced the most, have been reduced 6 per cent. Prices for clothing, house-furnishings, fuel, and services have moved up—the largest increase being in clothing. The cost of living as a whole, however, declined 0.6 per cent in the first two months of 1944.

FUEL OIL RATIONING

The present fuel year will end August 31 instead of September 30 as originally scheduled, OPA announces, and beginning September 1 all period fuel oil coupons after they become valid will remain good through August 31, 1945.

CHILD HEALTH DAY

Groups of American boys and girls in high school, Sunday school, Boy and Girl Scout troops, Victory Corps and other organizations are planning to hold forums on May 1, Child Health Day, to talk about improving the health of young people, the Department of Labor Children's Bureau announced.

ROUND-UP

The Department of Agriculture says: Eggs, beets, and carrots head the list of plentiful foods over most of the country, followed by potatoes, citrus fruits, citrus marmalade, lard, frozen vegetables and baked beans, canned green and waxed beans, and peanut butter. . . . A crop of about 2,800,000 sacks of onions is expected this year, compared with 1,708,000 sacks in 1943. . . . Spare Stamp 37 in War Ration Book Four, and NOT Sugar Stamp 37 should be attached to application for 1944 canning sugar. . . . Frequent rains, snows, or cold weather during March have delayed farm work in nearly all States. . . . Since lettuce crops are damaged if allowed to go dry, soil in the lettuce row should be kept just damp enough so it can be formed into a ball without crumbling. . . . As our military successes increase and the allies liberate more territory, we must expect heavy demands for our food, which will continue for an indefinite period. . . . Per capita consumption of cigarettes in the U. S. last year was at the highest level on record, consumption of snuff increased over the preceding year and consumption of smoking tobacco, cigars, and chewing tobacco decreased.

OPA says: New "factory seconds" passenger tubes may be purchased without a rationing certificate, and motorists eligible for used passenger tires (Grade III) may now obtain new "factory seconds" passenger tires. . . . A larger amount of dairy feed probably will be available to farmers in feed deficiency areas as a result of a new maximum price regulation. . . . Loggers, primarily those who eat at logging camps and other on-the-job eating places, will receive extra food rations for periods starting May 1.

White waste paper collections have been increasing steadily, OWI said, they still are behind estimates. . . . A gradual increase in production of Buna S, the Rubber Directors says, makes it possible May 1 to permit unrestricted use of grades A and C synthetic rubber camelback in retreading.

Missionary Society to Hear Dr. Reischauer

Dr. A. K. Reischauer, of New York, will speak at the annual meeting of the Pennsylvania Medical Missionary Society, Monday, April 24, at 2:45 P. M. He will speak at the home of Mrs. Gideon Boerike, Lancaster Ave., Wynnewood. Assistant hostesses will be Miss Mary Wilson, Mrs. Dudley M. Pruitt, and Mrs. Percival Nicholson.

Dr. Reischauer was a resident of Tokio for 36 years as a Presbyterian missionary. He was one of the founders of the Japan Theological Seminary, which before the present war, had a student body of 100. Widely known for his addresses, Dr. Reischauer has written several books, and had a large part in establishing the Woman's Christian College of Japan.

ASK THIEVES TO RETURN MONEY TAKEN FROM RED CROSS OFFICE

Money Would Have Been Used to Fill Sea Chests and Kit Bags Says Chairman; Detectives Expect Break

'A patriotic appeal addressed to the thieves who robbed the Bala-Cynwyd Red Cross Branch Headquarters was sent out this week by the Branch chairman, Dr. William H. Hough, Jr.

The headquarters was robbed on April 11. According to Lower Merion police no clues have been turned up since the robbery. Detectives told the Red Cross officials this week that they were hoping for a break in the case.

On the night of the robbery they broke into the headquarters building, across from the Bala-Cynwyd Post Office, and stole $40.

Dr. Hough explains in his appeal to the thieves to return the money that it had been set aside to fill sea chests and kit bags for service men.

"It is a regettable incident at this time," said the chairman, "when every dollar is allotted to a particularly worthy cause. These sea chests and kit bags are in a great demand. We hope this situation will be taken care of and the money returned."

The Bala-Cynwyd Blood Donor Committee with Mrs. Frank M. Kaufman, chairman, and assistants Mrs. A. R. Reynolds and Mrs. Nathan Folwell met at headquarters last Tuesday evening. The committee included representatives from local churches, business groups and organizations formed to represent the new Blood Donor plan proposed by Mrs. Kaufman.

All branches must now cut their Blood Donor Unit visits by 1/3 rather than break up its schedule. Bala-Cynwyd has allotted its Mobile Unit time to centers at greater distances from the city. Instead of Bala-Cynwyd days at local Headquarters three times yearly, Bala-Cynwyd Branch is sending its volunteers to Blood Donor Headquarters, 1424 Walnut Street, a group every Thursday morning throughout the year.

The Blood Donor Committee working on arrangements includes Wallace Gill, Jr., Ralph Cornman, Captain Edward Lahr and Jack Cresswell. This company has also been awarded the Blood Donor Certificate of Merit, given to organizations that in 1943 have donated a pint of blood for every star in their service flag.

Women's Club Notes

Narberth Jrs.

Mr. E. Gillet Ketchum, Consultant in speech and language disorders at the Institute of Pennsylvania Hospital, was guest speaker last Thursday at a meeting of the Junior Women's Community Club of Narberth.

His talk was based largely upon reading disabilities in younger children, but also included special reception disorders and disabilities in reading, arithmetic, handwriting and in general expression. Corrective and remedial methods used at the hospital clinic were discussed including the giving of exhaustive tests and the determining of the causes of the trouble and the treatment needed. The clinic is equipped with machines which diagnose the ailments, such as a ophthalmograph, eye-movement camera which produces a strip of movie film, stereoscope and rotoscope through which the child looks at pictures. Mr. Ketchum told of children making phonograph records of their voices to test phonetic troubles.

It is estimated that 10 per cent of all school children between the ages of 9 and 14 are handicapped with some reading disability, according to the speaker.

Mr. Ketchum stated that a study was recently made in juvenile delinquency courts and it was determined that an amazing percentage (approximately 45 per cent) of children violating the law had not learned to read properly.

If a child has a reading disability, vision, hearing or hearing memory, intelligence and language functions should be checked. The trouble may be caused from a variety or combination of physical ailments, or from psychological disturbances.

Mrs. Frederick M. Robb, Jr., president of the club, presided at the meeting, and the speaker was introduced by Miss Margaret Robertson, chairman of the Literature Committee. Mrs. Edmund D. Crocheron was hostess for the evening.

The Book Club of the Juniors will meet on Monday evening, April 24, at 8.15 P. M., at the home of Mrs. Louis Devaney, 233 Essex Avenue, Narberth. Book reviews will be given by Mrs. John W. Eidenberg and Mrs. Roy I. Gowland.

A member of the United States Forest Service will give an illustrated lecture at the next regular meeting of the club on April 27th at 8.15 P. M., in the Community Building. The program is under the auspices of the Conservation Committee of which Mrs. George P. Kramer is chairman.

Nomination and election of officers will be held and revision and streamlining of the program for the ensuing year to meet wartime conditions will be discussed.

On May 4th, the officers and chairmen of the Juniors will entertain the officers and committee chairmen of the Senior Women's Community Club of Narberth.

A Mother's Day dinner will be given on Wednesday, May 10th.

The sum of $10.00 was given by the club to the Salvation Army Greater Philadelphia Maintenance Fund Campaign.

At the last meeting of the Board of Directors, two new members were accepted: Miss Hope Hampton and Mrs. Robert Rumford, both of 218 Valley Road, Merion.

Advises Against

Continued from Page 1

ment also subjects the employer to a double compensation if the minor is injured.

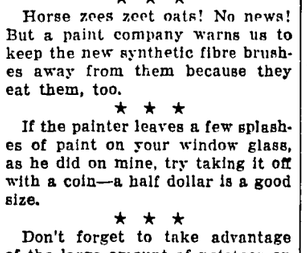
In conclusion the solicitor says "the analysis of the law respecting the employment of minors under 18 years as voluntary firemen can be stated as follows:

"a. If the Industrial Board has not found as a fact that such employment is dangerous to the life or limb or injurious to the health or morals of a minor, after a public hearing thereon, then it is my opinion that such minors can be employed legally as volunteer firemen.

"b. If employed as such, each minor must produce a proper certificate of employment to be turned over and held by the individual fire company for inspection by properly authorized persons.

"c. If a minor under the age of 18 years is employed as a volunteer fireman, then at no time until he is over the age of 18 years should he be permitted to operate upon the public highway any of the fire fighting equipment of the fire company. This would not prevent him from being a member of the active crew as there would be no prohibition of other activities respecting the fighting of fires."

In addition to his opinion Attorney Toal stated that the existence of a manpower shortage due to the war did not give the fire companies the right to waive the present requirements of the law unless such laws were circumscribed or altered by further wartime emergency legislation. Attorney Toal, a member of the Selective Service Board of the Township, also stated that he did not believe the present emergency was such as would justify the Commissioners in disregarding the statutes.



NATIONAL PRESS BUILDING WASHINGTON, D. C.

Now you can get vitaminized coffee! Each pound contains 1,200 units of Vitamin B-1 and the brew is a blend of six varieties of the beverage bean.

★ ★ ★

WPB now allows the manufacture of certain types of two-toned shoes. They require a little extra care in polishing, so don't forget to give them the ol' shinola with the wax-liquid polish that has the handy little dauber in the bottle. Then the polish won't run over into the other color.

★ ★ ★

Bright colored string gloves are quite the latest thing. And you wear a different color on each hand.... If you crochet they'd be easy to make.

★ ★ ★

Horse zees zeet oats! No news! But a paint company warns us to keep the new synthetic fibre brushes away from them because they eat them, too.

★ ★ ★

If the painter leaves a few splashes of paint on your window glass, as he did on mine, try taking it off with a coin—a half dollar is a good size.

★ ★ ★

Don't forget to take advantage of the large amount of potatoes on the market now. They're rich in calories, vitamins B and C, iron and mineral constituents. To scalloped potatoes add left-over ham cubes and dot with vitaminized margarine. Add a bit of onion, if desired, and you have a swell casserole dish.

★ ★ ★

OPA says meat rationing won't end soon in the U. S. To stop it now would mean unfair distribution to high priced markets with little to other sections.

HIGH NOTES

By DAVID MALICKSON
Class of 1945, Lower Merion High School

Schindler and Vogel Head S. P. Cast

Theater goers will have the rare pleasure of being entertained by an all student cast next Friday and Saturday, April 28 and 29 at 8.30 P. M., when members of the Lower Merion graduating class will present the three act comedy hit, "George Washington Slept Here". Under the direction of Mr. Alan B. Sampson, the cast has been practicing diligently for the past three weeks to produce a play which will be as good or better than, "Mr. and Mrs. North," which was presented last year by the class of '43. "Although ticket sales are now lagging," said J. Charles Hutton, faculty chairman, "it is expected that they will improve as the play nights approach. Members of the Senior Class now have admission tickets in their possession; they may be purchased by students or adults for fifty-five cents. Tickets will also be sold at the door on both evenings by Dick Whiting, Bob Healy, Bud Lownes and Don Palmer.

Ushers for the performances will be: Ellen Anderson, Jane Boswell, Claire DeHart, Alisa Freeman, Doris Grugan, Mina Hill, Maxine Lipman, Pat Harsch, Helen Lester, Shirley McConnell, Marjory Wedge, Peggy Heebner, Greta Mahon, Penny Richards, Mary Lou Schoenhut, Priscilla Gibbs, Bobbie Brunton, Barbara Bettleheim.

The cast is as follows: Mr. Kimber, Bob Ward; Newton, by Tony Gidoguilio; Annabella, Ellen Vogel, Marian Schindler; Madge, Sue Lawson; Steve, Al Adam; Kate, Carolyn Polvinio; Rena, Sue Bicker, Helen Lester; Hester, Nancy Fields; Raymond, Harold Vedova, Bill Davenport, Stanley, Jack Semple; Frazer, B. Vogel, F. Ewertz; Hughes, Lee Perry; Prescot, Dick Harris. President of the Senior Class is Bob Healy.

Handbook To Be Revised

Every two years, money is appropriated by the school board for the editing of a new Senior High School handbook which is distributed to all students new to the school. The task of reorganization and making additions to this publication is under the direction of a group of faculty and student members. This committee comprises for the faculty—Vincent V. Pearce, chairman, Miss Enslow, Miss Martha A. Gieg, Miss Mary White; for the students, Helen Lester, Dick Botwick, Ruth Gillespie, Joe Williamson, Frances Flint, Bob Oliver, Joyce Hodgins, Alberta Van Rose. They will thoughtfully accept any student suggestions for the improvement of this edition.

Propose New Trophy Room

During the last Student Council meeting, Vincent V. Pearce, vice-principal, made the suggestion that the alcove opposite his office be remodeled during the coming summer months to accommodate the many sport trophies the school has acquired during the past years. Last year the alcove opposite the principal's office was redecorated for a Memorial Alcove. "It would greatly improve the interior appearance of the school", said Mr. Pearce, "and at the same time would make a permanent trophy room."

The Senior Class might be interested in such a project as their class gift. If so, stated Mr. Pearce, then they, with help from the student council could furnish the funds for the remodeling and furnishing of the room.

He furthermore proposed that when the various cases in the main hallway, which contain trophies, are emptied that they be placed in the student lounge for relics of this war sent to the school by former students.

Bundle Day—April 28

Annually for the past six or seven years, students at Lower Merion have been asked to contribute clean, usable clothing to the "Save the Children Federation". This organization, headed by Dr. H. Claude Hardy, sponsors these drives for clothing for the children of the Southern Appalachian and Ozarks regions in the United States as well as making the garments available to the Greek War Relief, Great Britain and other such places where there is a dire need for them.

Any kind of usable clothing for which you have no further use: such as dresses, shoes, old overcoats, golf and port shoes, trousers, etc. as well as adults clothing—which will be cut down for the children by the mothers' groups—will be greatly appreciated. The drive at Lower Merion will be held for one day only, Friday, April 28. Make it a success for those who are less fortunate than you—Bring a Bundle!

Choir To Sing At Narberth School

The Lower Merion A Cappella Choir, under the leadership of John B. Raymond, will present a special program of songs at the Narberth public school on Friday, April 28. Among the soloists will be Maxine Lipman, Georgiana Veit, Marnie Lessig and Nada Strain. The Boys Quartet, which won fame during the recent Student Variety Show, composed of Arthur Carson, Jon Ross, Bill La Claire, and Wyatt Callahan, will also be present. Selections the choir will sing are: To Thee We Sing,

Ole Ark's A Moverin', Were You There, The Shadow March,

When Day Is Done, I Love a Parade, The Palestinian Laborers Chant, Rain and The River, Begin the Beguine, and To Thee O' Country.

Conserve Gasoline . . . Don't Drive to the Movies . . . Walk!

May 5—Lower Merion Senior High School A Cappella Choir.

It's no trick and no expense to teach the young daughter to sew if you utilize the material from cotton bags. Let her make a wardrobe of doll dresses from the smaller cotton bags in which you purchase such staples as sugar, meal, and flour. Soon, too, she can learn to make many other attractive and serviceable items and to decorate them with simple embroidery stitches.

The older daughter in school can use laundered material from large

cotton bags in her sewing class.

Illustrating the basic sewing stitches, and offering scores of novel ideas for making useful things from cotton bags, a new illustrated booklet, "Bag of Tricks for Home Sewing," is available to you free. Write for your copy to National Cotton Council, Box 18, Memphis 1, Tennessee.

MEN AND WOMEN IN SERVICE

Sergeant Thomas W. Casey, son of Mrs. Carroline T. Casey, of 111 Essex Avenue, Narberth, recently received a short orientation course at an Air Service Command Station somewhere in England, designed to help newly-arrived Air Force soldiers prepare for a new kind of life in a combat theater.

Naval Aviation Cadet Howard M. Witte, of Narberth, has reported to the U. S. Navy Pre-Flight School in Athens, Georgia, for three months of schooling in advanced ground school subjects.

Son of Mr. and Mrs. G. A. Witte of 737 Montgomery Avenue, Cadet Witte graduated from Lower Merion School in 1937, and was transferred from the CAA War Training Service School in Albuquerque, New Mexico.

First Lieutenant Donald M. White, 23, son of Mr. and Mrs. Howard White, of 508 Brookhurst Avenue, has been reported as missing in action over France since March 26. He is a graduate of Temple University, where he majored in music.

Yeoman Helen T. Blake, USNR, has been promoted to first class rating. She is the daughter of Mr. and Mrs. Thomas William Blake, of 506 Rock Avon Road, Narberth.

DAILY DOZEN

Prepared for the Local Health Board by the Medical Society of the State

Monday—

Motion pictures are valuable for recording and teaching surgery.

At first, surgical motion pictures were inadequate.

Poor lighting, unwieldy cameras, and slow films impeded progress.

Surgical cinematography came of age in 1931.

There were then fast panchromatic films and compact cameras.

Incandescent lamps replaced old-fashioned arc lights.

An operation to be photographed in motion is rehearsed.

This avoids waste of film and outlines important procedure.

There are many advantages to surgical motion pictures.

The surgeon's movements can be shown in "slow motion."

Color and animation supply refinements.

Surgical motion pictures are a valuable teaching medium.

Tuesday—

Spastic paralysis cripples 50,000 children.

This disease is more devastating than infantile paralysis.

Its victims are the most neglected of all crippled children.

There are schools for children with infantile paralysis.

There are schools for children who are deaf.

There are schools for blind children.

There are schools for children who are crippled.

But no schools for the spastic child, deaf and crippled.

Schools for the deaf do not want to take a cripple.

Schools for the crippled do not want a deaf child.

Many spastic children have average or superior intelligence.

They deserve adequate educational opportunities.

Wednesday—

Methods of resuscitation are described in the Bible.

Attempts to revive those apparently dead is an old practice.

Ancient methods now appear to be brutal and useless.

They put hot coals on the victim's body.

They poured melted wax or pitch on the skin.

They screamed and shouted in his ear.

Later they rubbed the body with coarsesalt.

Stimulating the circulation by massage is still in use today.

Persons become unconscious from drowning, asphyxiation, shock.

Many of them are revived by proper resuscitative measures.

The "see saw" or rocking board method is now used in drownings.

Methods include manual, mechanical, medical, and surgical.

Thursday—

Sunshine is great stuff.

It makes every one feel good—physically and mentally.

There is a tendency to exaggerate the sun's vital importance.

Extravagant claims are made for its healing powers.

Heliotherapy is the treatment of disease by the sun's rays.

This implies more than exposure to direct sunlight.

It includes rest, fresh air, wind, diet, occupation, environment.

Sun treatments must be carefully prescribed.

Too much exposure may prove detrimental.

In tuberculosis, heat rays may be definitely harmful.

Other conditions increase sensitivity to sun's rays.

Sun-worshippers should respect the great god Sol.

Friday—

Because he is a sound sleeper does not mean he snores.

Another name for snoring is stertorous breathing.

By whatever name, snoring has great nuisance value.

But not to those who do the snoring.

Not every sound made by a sleeper is a snore.

Laryngeal stridor is a high-pitched sound like the wind.

There are also nocturnal groans and asthmatic wheezing.

True snoring is a coarse, low-pitched noise.

Caused by open-mouth breathing which vibrates the soft palate.

Physicians are now injecting substances into the soft palate.

This alters its weight density, reducing its "flutter ratio."

Snoring is said to thus be reduced or eliminated.

Saturday—

A total of 15,374,698 patients entered U. S. hospitals last year.

That is at the rate of one person every two seconds.

Hospital care was received by 11 1/2% of the population.

The country's hospitals were heavily burdened during 1943.

They rendered increased service with reduced staffs.

There were 1,924,591 births in hospitals last year.

An increase of 253,992 over the previous year.

There are 6,655 officially registered hospitals.

Pennsylvania has 356 general hospitals, 79 government-owned.

These general hospitals had 88,732 patients last year.

The average daily enrollment was 84,775 patients.

Hospitals are rendering great service during the war years.

Brazil is larger in area than the United States.

OBSERVED FEB. 11

George Washington was 20 years old when the colonies adopted the Gregorian calendar which moved his birth date from Feb. 11 to Feb. 22. He never celebrated his birthday on the latter date. Friends gave him his first birthday party on Feb. 22 and it was celebrated at Valley Forge in 1778.

Vital War Role for Springfield Water

Water Supply Important Part of Invasion Planning

While we may take our domestic water supply for granted, invasion armies make extensive plans for this vital war requirement.

Much of the material and equipment for normal water works maintenance and replacement is part of the invasion equipment.

Springfield Water is vital on the home-front—use it carefully.

Philadelphia Suburban Water Company

NARBERTH SCHOOL NEWS

The pupils of the Narberth School, with the help of the faculty, presented their Spring play, "We Hold These Truths," Monday evening, April 17, at 8.15 P. M., in the auditorium of the school.

The play was based on a typical American family, and how they help in the war. It started off with a prologue reading, then the acts. The first act took place at the breakfast table of the Manning home, the second, a scene in a classroom, and the third was enacted on the lawn of the Manning home, where a booth had been erected to sell war bonds and stamps.

The characters were, in order of their appearance, prologue readers, Jean Ridge, Booth Mattson and Alan Kirk; Joey Manning, Bill Lillis; Grampa Manning, Dick Blessing; Tommy Manning, Peter Knapp; Mrs. Manning, Louise Purring; Barbara Manning, Paddy Stephens; Mr. Manning, Bob Squire; Miss Benson, June Schrepfer, and Jimmy Hunter, Joe Hutton. There were a number of non-speaking parts which the chorus filled.

Throughout the entire program, the chorus and orchestra assisted. In the introductory program, "The Cassions Go Rolling Along," "Marching Along Together" and the "Marine Hymn" were played by the orchestra with Mr. Barone conducting. Following this, the chorus sang "Brotherhood of Man" and "The Call of America." In act one, "It's Fun to Live," "Army Air Corps," "Victory Polka" and "You Can Defend America" were sung. "The Song of the Liberty Bell," "O Columbia, the Gem of the Ocean" and "America, the Beautiful" were played by a wind quartet in act two. In act three, "Keep Pursuing Happiness," "Victory Polka," "Buy, Buy, Bonds Today, "Buy More Stamps," "Plow Your Gardens" and the finale were sung.

At the close of the play, war bonds and Stamps were sold from the stage to the audience, after "Assembly" was blown by Scout Larry Warner, and then everyone joined in singing the "Star Spangled Banner."

PHILADELPHIA ELECTRIC COMPANY
Gas and Electricity are War Fuels—Use Them Wisely

OUR TOWN QUIZ CLUB

Q. Have all the British sovereigns been crowned in Westminster Abbey? D. D. J.

A. Since William the Conqueror, every king, with the exception only of Edward V and Edward VIII, has been crowned there.

Q. How many government agencies are there that lend money? E. Y.

A. Forty-seven Federal agencies are active in the credit field.

Q. What is the nationality of of Rebecca West? L. E. M.

A. Rebecca West is one of England's most distinguished women of letters and was born of Scotch and Irish parents in County Kerry, Ireland.

Q. What materials are the best conductors of electricity? R. E. W.

A. The six best conductors of electricity in rotation are pure silver, pure opper, pure gold, pure zinc, Swedish iron and tin.

Q. What was the former title of Lord Mountbatten? R. E. M.

A. Until 1917 he was known as Prince Louis Francis of Battenberg.

Q. What is the best distance for a submarine to fire at a target? A. A. W.

A. The ideal position for firing is within 1,000 yards of the enemy vessel.

Q. Is there a town named Rattlesnake? R. C. R.

A. Rattlesnake is a town in Florida. It depends largely upon this snake for a livelihood.

Q. Please explain the masculine and feminine endings of Russian family names. A. C. B.

A. Masculine endings for patronymics are ovitch, evitch or itch, the corresponding feminine endings being ovna or evna. For instance, Ivan Petrovitch means Ivan son of Peter. His sister, if named Anna, would be known as Anna Petrovna, equivalent to Anna, daughter of Peter.

Q. Are any races of people exempt from tuberculosis? N. I. C.

A. No race is exempt, but some races appear to be more resistant than others.

Q. Which of the four types of blood is most prevalent? D. N.

A. Forty per cent of the people have zero blood; 42 per cent have A; 12 per cent B and 6 per cent have AB.

Q. How does the heating value of apple wood compare with that of coal? O. B. H.

A. When dry and well-seasoned, one cord of apple wood equals one short ton (2,000 pounds) of coal.

Rivals Issue Statements in S. Ardmore Committee Fights

Organization | Independents

Mrs. E. E. Wilkinson

Mrs. John G. Vogt

James Stewart, Jr.

John V. Calhoun

Organization backers of Mrs. Elizabeth E. Wilkinson and James Stewart, Jr., and independent backers of Mrs. John G. Vogt and John V. Calhoun, candidates for committee posts in South Ardmore 3 precinct, issued the following statements this week:

Organization Statement

"Mrs. Elizabeth E. Wilkinson, candidate for re-election as committeewoman in the South Ardmore No. 3 district, and her running mate, James Stewart, Jr., today issued an appeal to all Republican voters in that district to go to the polls Tuesday and register their vote for the endorsed Regular Republican candidates.

"Mrs. Wilkinson, who lives at 147 Grandview Road, Ardmore, was appointed committeewoman by the Republican County Committee in December, 1941 to fill a vacancy created by the resignation of Miss Mabel McConway. She has devoted her time and energy continuously to advancing the interests of the Republican Party and has been remarkably successful in increasing the number of registered Republican voters in that district. In 1942, South Ardmore No. 3 led the 190 districts in Montgomery County in new registrations. Since she has served as committeewoman, 437 new Republican voters have been registered as a result of her efforts.

"A resident of Ardmore for 19 years Mrs. Wilkinson is a member of the Ardmore Woman's Club and the Lower Merion-Narberth Council of Republican Women and has been very active in church and community affairs during that time.

"Mr. Stewart, who lives at 1318 Sussex Road, Wynnewood, is a past president of the Wynnewood Improvement Association and was for many years a member of the Union League. He served with the Second City Troop on the Mexican Border during the Mexican Uprising. For the last 11 years he was manager of the Montgomery County plant of the Gulf Refining Company and was recently made Sales Manager for that Company. He has been an active Republican worker in his district and has a wide acquaintance in South Ardmore No. 3.

"These two candidates are the only ones who filed petitions for the committee post and will be the only candidates whose names appear on the ballot.

"In their appeal to the voters, they stress the need for unity in the Republican Party at this time. They point out that with a Presidential election approaching, it is of the utmost importance to have committee people of outstanding ability and with the background and experience to assure that their community will produce the maximum number of votes. Their record of service proves that they deserve the support of the voters."

Independents' Statement

"As stated in our recent letter, the appointment to the Board of Commissioners has been made and the election for that office will not take place until next year in November, 1945.

"However, at the primary election on next April 25th, the voters in our election district will elect a Committeeman and a Committeewoman to represent us in the Republican Party. Under our political system, they will help select our candidates for public office for the next two years. Under this system, this is an all important election!

"Mrs. Elizabeth E. Wilkinson our present Committeewoman for South Ardmore No. 3 was successful in having her candidate appointed to the Board of Commissioners as a reward for the work he had done for the Party and she refused to consider any other candidates, regardless of their qualifications for that high office. She was actively supported in obtaining this appointment by one of her workers, James Stewart, Jr. This example of "power politics" was described in our recent letter sent out to the Republican voters in our election district. Several hundreds of our Republican voters have already signed cards expressing their disapproval of Mrs. Wilkinson's methods of selecting candidates for public office!

"Mrs. Elizabeth E. Wilkinson is a candidate for re-election as our Committeewoman and her running mate for the office of Committeeman is James Stewart, Jr. Our present Committeeman, H. Sibley Lee, has decided not to become a candidate. He is opposed to the election of both Mrs. Elizabeth E. Wilkinson and James Stewart, Jr. A great many Republican voters have asked that candidates be selected to run against Mrs. Wilkinson and Mr. Stewart.

"Mrs. John G. (Leah) Vogt, 320 Spring Avenue, South Ardmore and John V. Calhoun, 1308 Hillside Road, Wynnewood, two outstanding and well known Republicans have consented to become candidates. They stand for good and efficient government. From our personal knowledge, they are both well qualified, independent and hold no political positions of any kind."

TOES ON ITS WINGS

The South American hoactzin has toes on its wings. Before it is able to fly, the young escapes from danger by diving from the nest into the water below; it uses the extra feet in climbing back to the nest when the danger is past.

O. T.—4/20/44.

Sports Scene

Due to the uncertainty of the manpower situation big league scouts are paying more attention than usual to schoolboy baseball. That's why Jocko Collins, of the Phillies, has attended quite a few early-season games on the Main Line. Frank Davis, tall, hard-hitting Haverford High first baseman, and Lefty Craig Heberton, Haverford School pitcher, have earned Collins' special attention and have been invited to visit Shibe Park for tryouts.

* * *

Collins didn't see Roy Allen, husky 14-year-old Haverford High sophomore pitcher in action, but took Coach Allie Cornog's word for it that he has the makings and invited him to accompany Davis to the tryouts.

* * *

Heberton, who opened the season with a no-hit, no-run victory over Episcopal, blanked Germantown Academy, 3-0, with one hit last Friday and on Tuesday chalked up his third Interacademic League victory as Haverford School routed Penn Charter, 8-2. As long as Heberton remains in form, the Main Liners should be a 'sure thing' in the title race.

* * *

Haverford High, defending champion in Section One of the Suburban Conference, gets its big test Monday at Upper Darby. The Royals showed plenty of power in drubbing Norristown, 11-1, in their league opener last Monday.

* * *

Haverford got off to a flying start in the race by bowling over Lower Merion, 5-2, on Monday at Brookline. It was a well played, highly interesting game with a three-run Ford rally in the last of the sixth breaking a 2-2 tie. Jimmy Hicks and Joe Trickett led the winners with three and two hits, respectively. Trickett and Frank Davis each contributed triples. Charley Gunther limited the Maroon to five hits. The Fords got only six blows off West, L. M. hurler.

* * *

Haverford High has now won three straight for a season's record of four victories against one defeat and one tie. Overbrook was blanked, 4-0, last Friday and West Philadelphia was set down, 8-0, on Tuesday. Ray Edelman, Bill Snyder and Roy Allen combined to pitch a one-hitter in the latter contest while Allen and Gunther accounted for Overbrook's shutout.

* * *

Lower Merion High goes after its second track and field victory Friday when it entertains Chester High on the Ardmore cinders. The proteges of Coach John Marzucco got off to an excellent start last Tuesday when they defeated St. Thomas More High, 75-33. Hank Belber, of basketball fame, and football star Stu Young, were double winners. Belber won the 100 in 10.8 and the 220 in 23.8. Young put the shot 43 ft., 2½ in. and won the discus with a heave of 116 ft. 2 in.

* * *

The Seniors won the annual interclass meet at Lower Merion last Friday, compiling 66 1-3 points to 64 1-6 for the Juniors and 11½ for the sophomores. Jack Hayward of the Juniors was a triple winner: shot put, 47 ft. 7¾ in.; discus, 119 ft. 9 in.; javelin, 154 ft. Paul Geary of the Seniors won the mile in 4.54 and the half-mile in 2:12.6.

* * *

One of the season's biggest golf tournaments on the Main Line will be the mixed Scotch foursome affair listed for the Bala Golf Club on Sunday. The Salvation will benefit.

* * *

Marine Lieut. Patty Berg, one of the nation's topflight women golfers, heads the field which will also include Brookline's Helen Sigel, Philadelphia's duration champion; Llanerch's Dorothy Germain, who won the Western championship last year, and Merion's Mrs. Glenna Collett Vare, six-time national champion.

* * *

Why so astounded over both the A's and Phillies winning their major league openers on Tuesday? They did it before—1940 to be exact, and again in 1941!

* * *

George Joseph, who was signed by the Phillies after winning the Main Line Baseball League pitching championship with Brookline last year, is in the Navy and stationed at Bainbridge, Md.

LOCAL MEN IN PORT SECURITY FORCE

K. W. HAMILTON

E. B. HODGE, JR.

JOHN D. COATH

Kenneth W. Hamilton, Chief Boatswain's Mate, 1311 Andover Rd., Overbrook Hills. Edward B. Hodge, Jr., Seaman first class, 624 Black Rock Rd., Bryn Mawr, and John Douglas Coath, Seaman first class, 546 Prescott Rd., Merion, are taking an active part in the recruiting drive of the United States Coast Guard Temporary Reserve, Volunteer Port Security Force.

Hospital Auxiliary Elected Officers

The Haverford Township Auxiliary of the Delaware County Hospital elected the following officers at the meeting held last Tuesday afternoon at the home of Mrs. F. M. Wick, 10 Pennsylvania Ave., Brookline:

Mrs. Le Roy Foulkrod, president; Mrs. Warren E. Stanhope, vice president and secretary; Mrs. Sarah Noblette treasurer, and Mrs. A. M. Holgren, ways and means chairman.

It was decided to hold monthly meetings on the second Tuesday of each month.

Junior Garden Club Being Organized

The Bon Air Junior Garden Club which is being organized by the Suburban Garden Club under the direction of Mrs. Anson Cunningham and Mrs. Alvah Iseminger, met last Tuesday afternoon in the Community House with 10 children present.

Annuals and the more common vegetables were discussed and pictures of same were shown. It was announced that the Juniors would hold a Summer flower show, date to be set later.

The next meeting will be held April 25 at 3.45 and all children under 16 years are welcome to attend.
